Dear Sir:

PRELIMINARY AMENDMENTIN THE SPECIFICATION

The Applicants respectfully submit the following Preliminary Amendment and request examination.

Please make the following amendments to the specification:

- (1) Amend the paragraph at page 2, line 21, to page 3, line 1 to read:

A₁ In the prior art flash butt welderheads clamp rails to provide electrical contact, heating cycle movement and forging force using quadrants. Rail stretching generally requires a separate mechanism with a frame, and clamps to apply a stretching force. The stretching
